Advanced Manufacturing • Durable Graphics

*Ampco*

Q1 & Q2 2010

Ampco wrapped this BMW for the Canadian Cancer Foundation's BC chairman to honour of the "End Breast Cancer" campaign. The Fundraising cycle takes a route from Vancouver to Seattle in June and a fundraising walk is scheduled for August 2010.

Ampco wrapped the City of Port Moody's garbage trucks with these inspiring graphics, both winners of the City's recent art competition.

A great example of sidewalk graphics used for Vancity's marketing campaign across the Greater Vancouver Area.

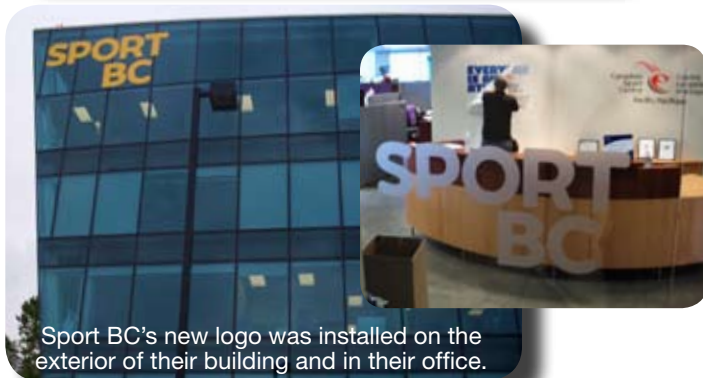

This complex marine application membrane switch has LED and fiber optic backlighting with two separate circuits working in parallel as surge protection.

Fifty golf carts were dressed up with sponsorship graphics on their windshields at the recent BCAIM tournament.

These screen printed graphic overlays have domed buttons for new control switches inside of premium class motor homes.

Sport BC's new logo was installed on the exterior of their building and in their office.

This 6'x6' diameter Plexiglas print is part of a joyful "Ferrari hamster wheel" in a water park for kids.
